FINE MODERN BUSINESS BLOCK FOR STATE STREET.

Plans by Fred A. Hale. By Jan. 1, 1906, the State street lot north of the Rocky Mountain Bldg. telephone building will be occupied by a modern, three-story structure of pressed brick and stone, excavations for which have been commenced. S. D. Evans who recently purchased the lot to put up the building at a cost of \$40,000. The building will be 32x120 feet. The lower floor will be occupied by undertaking parlors, modern in every respect, with chapel, dormitory and suites for the use of patrons.

The undertaking establishment is to be entirely separate from the two upper stories, which are to be used as apartments. In connection with the building will be a storage-room, which will be rented for desirable purposes.

DOYLE PASSED IT UP. Noted Author Asked His Opinion of the Tunnel Tragedy.

London, Sept. 30.—Nearly a week has passed since the body of Miss Mary Money of Clapham Junction was found in the Merstham tunnel of the London & Southwestern railroad, but the mystery of her death remains unsolved. The outrage, however, has served to start a crusade against the continued use of the cell-like compartment cars on the British railroads and at least one main line is said to have countermanded a large order for old type cars in consequence of the crusade.

Sir Conan Doyle was asked, in his capacity of "Sherlock Holmes," to give his opinion of the tunnel tragedy. He declined, but warmly denounced the present style of car and lack of protection for women traveling alone. He said:

"I think it perfectly scandalous that such a state of affairs should be allowed to exist. Any railroad company not reserving at least one carriage for ladies on every train ought to be held responsible and pay compensation where a woman is murdered."

WHAT GERMANY WANTS. Definite Proposals for a Trade Treaty Made and the Details Are Now Being Worked Out.

Berlin, Sept. 30.—The German government's definite proposals to the United States for a commercial treaty are about ready to go forward to Washington. They have been prepared because of a request of the state department, which inquired in June precisely what it was that Germany wanted if the existing arrangement was unsatisfactory.

Chancellor Von Bismarck asked the German chambers of commerce and the organizations of the individual trades to inform the government of their ideas of the things a new commercial treaty should take. These reports, some of which have been cabled, form a mass of material on which the second division of the foreign office, that devoted to trade policies and consular administration, had been working. Dr. Von Koerner, director of the department, who more than any one else has carried through the difficult Russian and Austrian treaties, has the American affair in hand.

Americans doing business in Germany, who have been up to the import trade in American manufactures, are continually asked by Germans what they think of the prospects of a reciprocity treaty and they usually reply that the prospects are good. They have been considerably cheered by the recent action of the New York and other American chambers of commerce on a trade treaty.

TRoubles PILING UP. Western Men to Investigate the New York Life.

New York, Sept. 30.—The insurance commissioners of five western states meeting in this city announced today that arrangements have been completed with the New York Life insurance company to begin an investigation of the real estate and mortgage departments of the company. This is the third meeting which these commissioners have held in New York City in preparation for an investigation of the insurance companies which shall supplement the investigation at present being conducted by the New York legislative committee. The five commissioners are E. E. Felt, of Tennessee; H. H. Felt, of Kentucky; M. Horst, of Wisconsin; L. D. O'Brien, of Minnesota and J. L. Pierce, of Nebraska.

Mr. Felt said that the investigation of the western commissioners will not cover the same ground as the New York legislative inquiry. The date of the investigation by the commissioners has not yet been fixed.

H. R. Felt, father of Mrs. Condit, issued an appeal to the people of the Edna community today, in which he declared that the sheriff was criminally negligent in allowing Gibson to escape and said he would take the negro from the authorities who recaptured him and "burn him for a week." If the people of Jackson county are a high state of excitement.

The officers say they will protect the negro and serious trouble may result.

M. WITTE MADE A COUNT. St. Petersburg, Sept. 30.—M. Witte has been created a count. Owing to the absence of Emperor Nicholas it is announced that the peace treaty will not be signed until the end of next week.

NEGRO MURDERER ESCAPES. Burning at the Stake His Fate if Recaptured.

Houston, Tex., Sept. 30.—Monk Gibson, a negro arrested yesterday in connection with the murder of Mrs. A. J. Condit and her children at Edna, Tex., Thursday, escaped last night from the posse that had him in charge.

S. H. Beasley, father of Mrs. Condit, issued an appeal to the people of the Edna community today, in which he declared that the sheriff was criminally negligent in allowing Gibson to escape and said he would take the negro from the authorities who recaptured him and "burn him for a week." If the people of Jackson county are a high state of excitement.

The officers say they will protect the negro and serious trouble may result.
